

10 Year Parts Guarantee

Indesit appliances carry a fully inclusive 12 months parts and labour guarantee plus **FREE** replacement parts for the first 10 years, provided that they are fitted by our own Service Engineers, at the applicable labour charge, and that your appliance is registered with Domestic & General Insurance PLC ('D&G') at <https://domgen.net/indesit-registration/>. Indesit has appointed D&G to provide product registration services and protection plans to accompany its products.

Unregistered appliances will require evidence of date and place of purchase. Our labour charge is £119.99 including VAT (subject to change without notice), per completed repair. The parts guarantee only applies to parts essential for the normal performance of the appliance.
